VELLURA - DUAL PURPOSE HEATING & LIGHTING

VELLURA

Introducing Vellura: Where Comfort Meets Design
Inspired and developed from our expertise in Eurofase Heating products, accent heating brings a new way to experience warmth, expertly combining high-end design with practical performance.

At this category's forefront is our latest innovation: Vellura.

Extending beyond providing warmth; Vellura transforms outdoor spaces by blending comfort and design to enhance any environment.

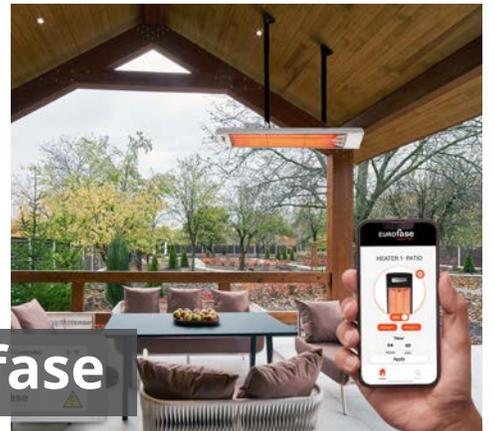

As the centerpiece of our accent heating category, the Vellura collection represents Eurofase's commitment to craftsmanship and sophistication. This portable radiant solution provides warmth and features a warm, 3000K, 700 delivered lumens LED light that adds ambience and functionality to any space.
